CORPORATE MATCH GUIDE

A match can make your gift go further and bring more arts experiences to Walton County.

1. Check your eligibility
Review your employer's current matching gift guidelines for eligible employees, charities and donations, the match rate, annual limits and submission deadline.

2. Find CAA
Search for Cultural Arts Alliance of Walton County, Inc. or use EIN 59-3130514.

3. Request your Match
Follow your employer's instructions. Have your gift date, amount and receipt handy, and save your confirmation.

4. Track the request
Let CAA know you submitted a match so our team can assist with any gift verification requested by the program.

Already donated? You may still be able to request a match. Check your employer's deadline. If your gift includes a membership, tickets or other perks, check whether it qualifies.

Need help? Contact Gabby Callaway, Director of Advancement, for CAA details or documentation.
